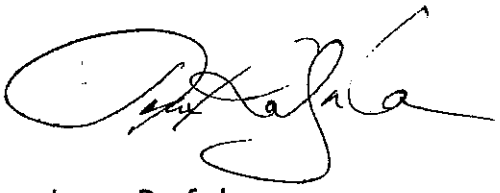
February 2, 2024

After 23 years as a Colchester paraprofessional, I will be retiring.

Over the years I have enjoyed my time as a paraprofessional and have worked beside many educators that have truly been an inspiration to me. I am thankful to have been a small part of such an amazing group.

My last day at CES will be Friday, February 23, 2024.

Respectfully,



Lura Rafala
